List of Columns produced

- Client/matter number
- Client name
- Matter Description
- Fee Earner
- Work type
- Balance (this is the overall balance on the matter)
- Bill Date (this is the date of the most recent outstanding bill on the matter)
- The following columns give the aged analysis of the debt
 - 0-30 days
 - 31-60 days
 - 61-90 days
 - 91+ days
- Credit balance. This displays any credit balances when this filter option is selected
- MisAl. This column displays 'Yes' when there is a problem with the allocations on the matter, meaning that the sum of the ageing columns does not match the Balance on the ledger. The ledger should be cleared and reallocated to rectify this.
