Osprey allows you to display any key dates present on your files in Outlook, so you can see at a glance if you have any appointments coming up relevant to your cases.

Please Note: This feature will only work if your email domain is on our Hosted Exchange or the Office 365 cloud. Clients with their emails hosted in other locations will not be able to use this service.

Add the Office 365 credentials

Firstly, you must ensure that the relevant fee earner has their email credentials saved against their Osprey fee earner code.
