Newly enabled Clients and Associates will receive an automated email which includes their username and a temporary password, also a hyperlink to access the Client Portal.

When logging in for the first time, you will be prompted to change your password to a more memorable one.

If logging in as an Associate, you must change the **'I'm a Client'** option to **'I'm an Associate'**

The image shows a login interface for a Client Web Portal. At the top, there are two buttons: 'Sign in' with a right-pointing arrow icon and 'New enquiry' with a plus icon. Below these is a dropdown menu currently set to 'I'm a client'. Under the dropdown are three input fields: 'Client ID', 'Email address', and 'Password'. The 'Client ID' and 'Password' fields have a small icon on the right side of the input box. Below the 'Password' field is a checkbox labeled 'Remember me' followed by an information icon. A large, dark 'Sign in' button is positioned below the checkbox. At the bottom of the form, there is a link that says 'Forgot password?'.

If you have forgotten your password, there is a **'Forgot Password'** option. Clicking this will send an automated email containing a new password.

Client Web Portal Log in

If logging in as a client, it is possible that you may be prompted to fill in some additional information about your matters as shown below:

Current cases	This area lists all published matters, any messages sent to you will also be visible.
My Details	This area shows your Address, Billing address and contact details. They can be amended here which will automatically update the details your solicitor holds for you.
New Enquiry	If enabled, this area enables you to submit details in respect of an additional matter.
Deal Room	The Deal Room contains documents from your matter history which are published to the web portal.
Contact	Used to email your Solicitor.
Account	Displays your account details and the option to log out.

My Details

You are able to update your existing contact details held by your solicitor.

Click 'My Details'

This screen allows you to update your Contact Address, Billing address, email and contact numbers. *(It is not possible to amend any of the Name details)*

Make any changes as required and then select '**Save**' from either top of bottom of the screen. The details are automatically updated within Osprey.

Current Cases

Once selected, this area will show all currently published matters. Each matter may have messages available for you to read, click the number of messages to be able to reveal them all and then read them. Messages can then be flagged as read to remove them.

You may choose to display in list or grid view - Select the preferred option in the top right.

Selecting this icon opens a Contact Us screen, from within which a message relating to the document can be sent directly to your Solicitor's main email.

Selecting the second icon enables you to save or open a copy of the item.

Selecting the third icon shows a preview of the document.

Selecting the fourth icon shows version history of the document and also offers the ability to preview or download previous version.

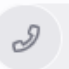

You can change the view of items per page or you can use the arrows at the bottom of the Documents area to navigate to additional pages.

Status menu

This area will show any published workflow tasks including the actions within them. **Ticked** indicates the task has been run and the **date column** shows the date the task was run. There is also an **action** icon, selecting this opens a Contact Us screen and a message box appears relating to the matter and workflow task. Once sent, the message goes directly to your Solicitor's main email.
